## Milestone Blood Drive: Give the Gift of Life

Milestone is proud to announce our upcoming BLOOD DRIVE, taking place on August 5, 2025, at the Clubhouse from 1:00 pm to 6:00 pm. We're reaching out to our community with hope, anticipation, and a strong sense of purpose—because together, we can make a meaningful difference **plus each donor will receive a \$15 e-gift card.**

### Your Donation Makes a Difference

Each year, our blood drive brings neighbors, friends, and families together to support a vital cause. Last year, thanks to your generosity, not only did we meet our donation goal, we exceeded it! This remarkable achievement is a testament to the caring spirit of our community.

### Why Donate?

There is a critical need for blood donations at present. Hospitals and patients across the region rely on the kindness of donors like you to ensure that life-saving blood is available when it's needed most. Your single donation can help save multiple lives and bring hope to those facing medical emergencies.

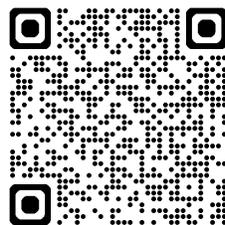

### How to Sign Up

Visit [www.redcrossblood.org](http://www.redcrossblood.org) to schedule your appointment. Simply enter your information and choose the Milestone Blood Drive on August 5th.

If you have the Red Cross Blood Donor App, you can sign up directly through the app or scan the event QR code.

# Milestone Makos Swim Team

Thank you to the community who came out and had fun with us at our annual pool party fundraiser last month!! We look forward to hosting you all again next year!!! This big fundraiser exceeded our goal of over \$1000.

We also had a wonderful season, winning 3 out of our 6 swim meets!!! Big thank you to our coaches and volunteers!!! The swim team runs on volunteer power and would not be possible without all of you and the support of our Milestone community!!! Our Makos swam fast and had lots of time drops. As part of our ongoing efforts to maintain the aesthetic and safety standards of our community, we would like to remind all residents of the rules and regulations regarding certain vehicles and items as outlined in the Milestone Architectural Standards **(46.0)** and Declaration of Protective Covenants **(9.10 & 9.11)**.

It has come to our attention that there have been violations concerning the storage and use of boats, trailers, and motorbikes. Please review the following guidelines to ensure compliance:

**Boats, Trailers, and Recreational Vehicles:**

Boats, boat trailers, campers, buses, commercial trucks, recreational vehicles, or utility trailers may only be stored within a garage or an enclosed or screened area approved by the Architectural Review Committee (ARC). These items must not be visible from the street or adjacent properties.

**Motor Bikes and All-Terrain Vehicles:**

Motor bikes, motorcycles, and all-terrain vehicles are not permitted to be driven on Milestone Common Areas. Licensed vehicles and mopeds may only be operated on public streets within Milestone for direct ingress and egress purposes.

**Parking Restrictions:**

Parking of dual-axle marked or unmarked commercially licensed vehicles, disabled vehicles, vehicles without a current state license, or vehicles storing machinery or equipment is prohibited unless wholly inside an enclosed garage.

We kindly ask all residents to adhere to these standards to preserve the integrity and harmony of our community. Non-compliance may result in further action as outlined in the Milestone Architectural Standards.

If you have any questions or require clarification, please do not hesitate to contact the Milestone Board of Directors or the ARC. Thank you for your cooperation in keeping Milestone a first-class residential neighborhood.

## Important Information About Clubhouse Rentals for Non-Residents

We would like to remind residents that when a Non-Resident wishes to rent the clubhouse, and a resident agrees to sponsor them, there are a few important details to keep in mind. The rental rate for non-residents is higher than for residents, reflecting the fact that they do not pay HOA dues as a resident does.

Additionally, the resident sponsor is required to write the security deposit check of \$250. This deposit helps ensure that the clubhouse is left clean and undamaged after the rental. The property manager will take photos of the clubhouse before the event to document its condition. If any issues arise after the event, the property manager will contact the renter first, allowing them the opportunity to cover any costs for damages or missing property.

Please be mindful that the revenue generated from these rentals goes directly towards maintaining and improving the clubhouse, including costs for cleaning supplies, electricity, water, cable, and general upkeep. Your support in this process is greatly appreciated, as it ensures the continued care and quality of our community facilities.

Thank you for helping keep our clubhouse a wonderful place for all to enjoy!

Monthly BOD Meeting Dates: Every third Monday of the month at 6pm  
(Dates are subject to change and will be communicated)

July 24st, August 18th, September 15th, October 20th

Annual BOD Meeting is on November 17th at 6:30pm

## DO YOU KNOW A RESIDENT THAT DOES NOT GET THE NEWSLETTER OR EMAILS?

Have them call or email the site office and give us their contact information to be a part of the [milestonecommunity.com](http://milestonecommunity.com) website. The office periodically sends out emails to the community announcing social events, neighborhood watch updates, pool information and delivery of the electronic version of the monthly newsletter. ***For those residents who are already registered on the website, please be aware that your phone number and email address are listed in the directory on the website unless you go into your settings and chose the 'private' setting. Once you make your information private, your phone number and address are no longer visible to other residents, but you will still receive community generated emails.*** Any Milestone residents who are not receiving emails can also call or email the site office at **804-550-4656** or email [manager@milestonecommunity.com](mailto:manager@milestonecommunity.com) to be registered and given credentials to log in to the website.

**Those leasing homes in the Milestone neighborhood should contact the site office at 804-550-4656 in order to complete the Delegation of Rights and Privileges form. This form will need to be completed by the owner and on file before you are able to rent the clubhouse and/or use the recreational facilities.**

### **NEW CHANGES IN RATES FOR 2025** **2025 revised Clubhouse Rental Agreement Forms will be available on the Milestone website ([www.milestonecommunity.com](http://www.milestonecommunity.com)) on 1/1/2025.**

The Milestone Resident rental rate in 2025 will be \$250 for 4 hours & \$450 for 8+ hours. The clubhouse is also available to rent by Non-Residents (with a Milestone Resident sponsor) for a cost of \$300 for 4 hours & \$500 for 8+ hours. A new Non-Profit Rental Form will be available upon request for qualifying organizations with proof of status. Non-Profit rentals are limited to 4 hours and a maximum of 25 people, with a rental rate of \$100 for 4 hours.

All major credit cards are accepted. \* Surcharge will apply.

The increase in rental rates is necessary to offset the rising costs of the companies and products we use to maintain the clubhouse. Our research indicates that the Milestone clubhouse continues to offer the lowest rental rate in the area. Additionally, our renovations have made it one of the most attractive venues for events. We are still committed to providing the very best for our residents and appreciate your understanding with these necessary changes.
