This year all registration will be handled online at: milestone.membersplash.com/ **starting on March 2nd**. If you are interested in being a member of our pool, please go online and start the registration process.

Instructions & Pool Rules are included with this letter. Before you begin, please be sure to have a photo of each individual family member available to upload to the site. Payment can now be handled online by credit card, or you can still pay by check, whichever you choose. Note that there is a 2.9% fee and \$0.30 transaction fee for paying by credit card that will be added to your final amount due should you choose to pay by credit card on-line. If you wish to pay by check (make payable to M.O.A.), please complete the online process and then mail your registration confirmation and check made payable to Milestone to the address below. You can also drop off the check during office hours or leave it in the secure drop box located next to the main door of the clubhouse. Please note that all checks must be received in the office **by 1 pm on May 22nd** to attend the pool opening weekend. **Payment/registration will not be accepted/handled at the gate.**
